

Master Class Tutoring Via Zoom Code of Conduct

Our team of tutors is made up of top recent VCE graduates (who achieved a study score of at least 45 in the subjects they tutor), and university students with extensive knowledge of the VCE curriculum. TSFX tutors are friendly and enthusiastic, and are ready to help you with homework, SAC preparations, Master Class content, or any other questions you may have. We urge you to make the most of these sessions!

To ensure a positive experience for all, students participating in TSFX Zoom tutoring sessions are required to adhere to the following Conduct Policy.

- Rule 1: Students will behave respectfully towards their tutors and other students in each session.
- Rule 2: Students must be mindful not to dominate the time of a tutor if other students are waiting to have their questions answered.
- Rule 3: Please initially only register for 1 session per subject. You are welcome to register into additional sessions (where vacancies exist) one (1) hour before the session of interest is due to start.
- Rule 4: Please be patient with this new system. Although your tutors have had previous experience tutoring via Zoom, this is a new system for TSFX and there could be teething issues.
- Rule 5: These sessions are for face to face Master Class students only. You are not permitted to share links to others.

Thanking you in advance for following these rules.
