What You'll Get:

- 3.5 hours of the **highest quality** advice & instruction from current or recent **VCE exam assessors (VCAA)** – not university students!
- **Key exam insights** that only a VCE exam assessor can provide. (This is the type of inside knowledge that will give you a **huge edge** in your exams!)
- Fully comprehensive **A+ notes** & a large collection of exam-style questions that will **save you HUGE amounts** of time!
- **Unlimited 24/7 access** to an AV recording of your enrolled subject lectures until 1 December 2023.

VCE Exam Revision Lectures by TSFX

VCE Exam Essentials Lectures

Longer, In-Depth Revision to Thoroughly Prepare for the Exams

Units Covered: Unit 3 & Unit 4 materials are covered in separate courses.

Duration: Over 6 hours of instruction per Unit.

These highly beneficial lectures are designed for students seeking **key exam insights** that only a **VCE exam assessor** (marker) can provide & to **thoroughly revise** examinable materials, focusing on the topics students typically find **difficult** & are poorly answered in the VCE exams.

During These **Very Comprehensive** Revision Lectures:

- You'll revise, consolidate & **extend** your knowledge to VCE examination standard.
- You'll work through strategically selected questions that will **strengthen** problem-solving skills & **maximise** your exposure to the **tricks & traps** that could appear in the exams.
- You'll learn **how marks are awarded** in the exams and how to **craft exam responses** that would be awarded **full marks**. Terminology that must be included (or excluded), alternative answers that would be accepted, and where (and why) marks are **frequently lost** will also be discussed.
- You'll discover techniques that will help you **confidently answer** questions you've not previously been exposed to.
- You'll learn new approaches to **dissecting & processing** the harder extended response style questions.
- You'll learn how to **secure every possible mark** in the exams.
- You'll get **higher** examination marks!

What You'll Get:

- **Over 6 hours** of the **highest quality** advice & instruction from current or recent **VCE exam assessors** – not university students! (Total instruction per subject = 12 to 15 hours).
- **Key exam insights** that only a VCE exam assessor can provide. (This is the type of inside knowledge that will give you a **huge edge** in your exams!)
- Detailed & comprehensive **A+ notes** & a large collection of exam-style questions that **cover everything** you need to learn for your VCE exams (these notes will **save you countless hours** in study time!)
- **Unlimited 24/7 access** to an AV recording of your enrolled subject lectures until 1 December 2023.
