Option 2: In-Depth Revision of Examinable Materials

VCE Exam Essentials Lectures

Longer, In-Depth Revision to Thoroughly Prepare for Your Exams

Units Covered: Unit 3 & Unit 4 topics are covered in separate courses.

Duration: Over 6 hours of instruction per Unit.

These highly beneficial lectures are designed for students seeking **key exam insights** that only a **VCE exam assessor** (marker) can provide & to **thoroughly revise** examinable materials, focusing on the topics students typically find **difficult** & are poorly answered in the VCE exams.

During these Very Comprehensive Revision Lectures, Students Will:

- # Revise, consolidate & **extend** your knowledge to VCE examination standard.
- # Work through **strategically selected** questions that will **strengthen** problem-solving skills & **maximise** your exposure to the **tricks & traps** that could appear in your exams.
- # Learn **how marks are awarded** in the exams and how to **craft exam responses** that would be awarded **full marks**. Terminology that must be included (or excluded), alternative answers that would be accepted, and where (and why) marks are **frequently lost** will also be discussed.
- # Learn techniques to help you **confidently answer** questions you've not previously been exposed to.
- # Learn new approaches to **dissecting & processing** the harder extended response style questions.
- # Learn how to **secure every possible mark** in your exams.
- # **Gain valuable** advice, information & skills that will **help you** achieve **higher** examination scores!

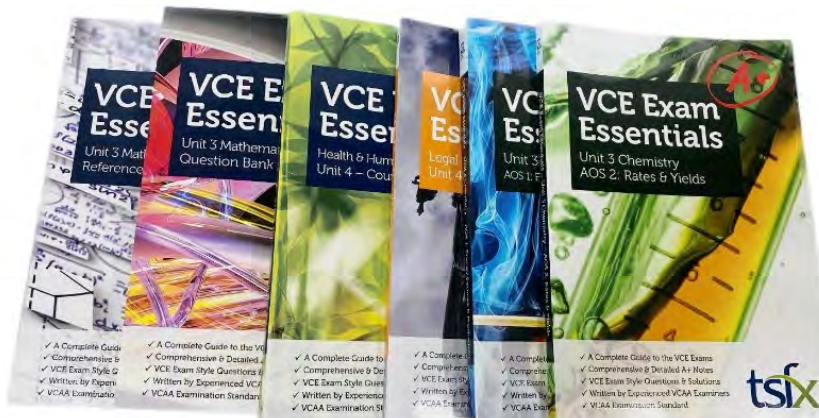

What You'll Get

You will receive the following advice & resources:

- # Between 3.5 & 15 hours per subject of the highest quality advice & instruction from current or recent **VCE exam assessors (VCAA)** – not university students!
- # Comprehensive revision of examinable materials presented from a **different perspective**; exposing you to different interpretations, ideas & solution processes.
- # **Key exam insights** that only a VCE exam assessor can provide. (This is the type of **inside knowledge** that will give you a **HUGE EDGE** in your exams!)
- # A valuable **revision road map** outlining which sections of the course are most likely to be examined, which sections **pay the greatest dividends** in terms of time invested & examination marks & the level of detail that should be memorised/learned. This will help you use your time in the **most effective & beneficial way**, maximising examination marks.
- # Detailed & comprehensive **A+ notes** that will save you countless hours in study time. You can then invest the time you've saved to learning course materials thoroughly & working through as many past exam papers as possible – activities that have the **biggest impact** on examination marks.

- # **Unlimited 24/7** access to a recording of the audio-visual presentation(s) for each enrolled subject (including screen annotations) until 1 December 2023. You can watch and listen to these recordings as many times as it takes to feel confident with the materials covered, and to **fast track** your revision sessions before your exams.
- # A large collection of **exam-style questions** (& solutions) to further consolidate and extend on taught skills at home.

Benefits of Attending

You will:

- # Benefit from a **fast & effective** way to prepare for your exams (it's much faster to have an experienced teacher take you through course materials compared to revising on your own).
- # **Complete a large part** of your exam preparations with the very same teachers who will be marking this year's exams!
- # Receive **first-hand advice** regarding what assessors expect from students striving for the above average scores.
- # **Thoroughly revise** examinable materials and fill in any gaps in knowledge that may be present. Emphasis will be placed on the more **difficult concepts**, as well as the sections that have been **poorly answered** in past VCE exams.
- # Work through a wide range of **potential** exam-style questions, **refining** solution processes & learning how to **dissect applications**.
- # Gain exposure to a wide range of '**tricks and traps**' & learn how to **avoid mistakes** that result in the loss of **valuable marks** in the exams.
- # Learn how & where **marks are awarded in the exam(s)**, the detail required in responses & key terms/phrases to include or exclude.
- # **Improve exam techniques** & learn strategies that will help you **complete** exam papers in the available time.
- # Further engrain information into long-term memory, **improving** application skills & the **quality** of exam responses.
- # Learn in an environment that's designed to **maximise concentration** & motivation. We'll keep you stimulated, energised & learning by running regular Q & A sessions, polls, challenges & competitions, quizzes & chats and a variety of other activities. Our dynamic, motivating & entertaining teachers (who sometimes manage to be funny!) will do everything they can to make each lecture as beneficial & painless as possible.
- # **Reduce stress & save countless hours** in study time.
- # Make a **big impact** on your exam preparations.
- # **Boost** your exam marks & ATAR result!

You will leave our lectures having made a **big impact** on your exam preparations, **feeling confident** about what you know, informed about what you **need to correct**, & in the **right frame of mind** for independent study.
